If you just glance, you may miss things. Which tree trunk is not a tree?

Can you spot the timid chipmunk? He is shy, so he stays hidden within the log.

4

A quick glance will miss this big cat. Since she has spots, she blends in with the grass and rocks!

6

When you rush, you can miss things. You may pass by this fence and not even notice the moth. The cracks in the fence match its wings!

8

Rest a moment by this sunlit plant. Can you spot the bee? Bits of pollen dance into the wind when she lands.

10

You may catch a whiff of this skunk, even if you cannot see him. He excels at staying hidden.

12

If you stop on the pathway next to this plant, you may see the bug. He wants lunch, so he will stay still until a fly lands.

14

Stop a moment.
You may spot the best things!
